## ***FREE SPEECH***

***and the free exchange of ALL  
ideas allowed here.***

**WARNING! WARNING!**

**These “labels” are used  
in an attempt to silence people to  
prevent you from hearing what they  
have to say: racist, hater, bigot,  
anti-Semite, White supremacist,  
homophobe, xenophobe,  
NaziwhowantstokillsixmillionJews  
and conspiracy theorist.**

**Don't fall for it. Open  
your ears and eyes. I offer  
people the opportunity to be**

heard. I don't censor people,  
that's what Marxists do.

**TRUTH DOES NOT FEAR EXAMINATION.**

**The Truth is NOT politically  
correct.**

**What sort of truth is it that  
crushes the freedom to seek the  
truth?**
