

POLICE STATE

What is a police state? What is it like to live under the boot of a tyrannical government? George Orwell's novel 1984 gives us a glimpse of what life is like. So does the documentary [In The Shadow of Hermes](#) based upon the widely censored book, "Under the Sign of the Scorpion" by Juri Lina. Pay close attention.

"...To get an idea of who the New

World Order authorities in the U.S. considers a "Terrorist" consider the actual definitions being put out by local and Federal authorities.

What are Some Characteristics of Terrorists?:

"Nice-guy image" "Property Rights Activists" "Environmental and Animal Rights" "Influence governmental of social policy" "Undermine confidence in the government" "Anti-government and Militia Movement" "Create an atmosphere of anxiety amongst the public" "Will employ a variety of vehicles and communicate predominantly by cell-phone, E-mail, or text messaging services" "Trained to be physically aware of their environment, whether it be a 747 jumbo jet or a court house" "May appear 'normal' in appearance... tourists, student, or businessperson" see [Who's a Terrorist?...](#) " from the website [Liberty for life](#)
