Sunday February 12th All roads lead to...Big Brother.

Sunday February 12th

I talked to myself today about The FBI's latest memo telling us how to spy on our fellow Americans. Hey WOW players, beware, if you communicate to your fellow warriors YOU could be a terrorist. Ruh roh.

fbi aka we make it up as we go along

I also read from an article I found on www.theatlanticcities.com website entitled, The Death Row of Urban Highways. Green ghettos are in your future...they will drive you into it.

February 7th Paul Fromm Does free speech matter?

[February 7th Paul Fromm](#)

Paul Fromm joins me to discuss free speech and the lack thereof. Is denying the unalienable right to free speech denying justice? Does free speech matter? His website is being revised so check back in a couple weeks, I will update this posting when his site is back up.

Monday January 9th Ronald MacDonald You have no right to your rights, anymore.

January 9th

Ronald joins me again to discuss Administrative Law, what does it really mean, codes, permits, the FRB (Federal Reserve Bank) and how to begin to fight back. Listen in, he provided great information and insight. Did you know that We-The-People never

granted anyone the authority to create administrative courts?
What is a writ of prohibition?

He is the author of a book entitled, They Own It All Including
You available on RBN www.republicbroadcasting.org

Tuesday December 27th Arkady Faktorovich How does one control people?

[December 27th Arkady Faktorovich](#)

Arkady Faktorovich joins me to discuss life in the Soviet Union. He says he has come from “our future” to warn us. Do people who hail from a communist nation “see” what we cannot? I think they do. He says in the Soviet Union everything has changed, yet nothing has changed. What is the tyranny of equality? Is it happening here? Why do people confuse control with leadership?

Friday December 16th “Septic wars” anyone?

[December 16th Dan Peterson](#)

My guests today were:

Hr 1

Dan Peterson from the Coalition for Property Rights joined me to discuss their activities in Florida. They educate, advocate and try to activate people to become involved in fighting for their property rights. He has been involved in “septic wars” so check out the articles on their website www.proprights.com

Take a look at another group Dan mentioned who also are active in the septic wars battle: <http://www.tricountyassociation.org> The ongoing septic war battles could cost Floridians up to \$15,000 to meet mandates based on flawed science.

Hour 2

Lt. Eric Shine, host of “In The Zone” heard on RBN joins me to discuss S1867 and how the “National Defense Authorization Act” relates to what has been happening to him. His website www.crossingtherubicon.org has a lot of info so check it out and listen in.
